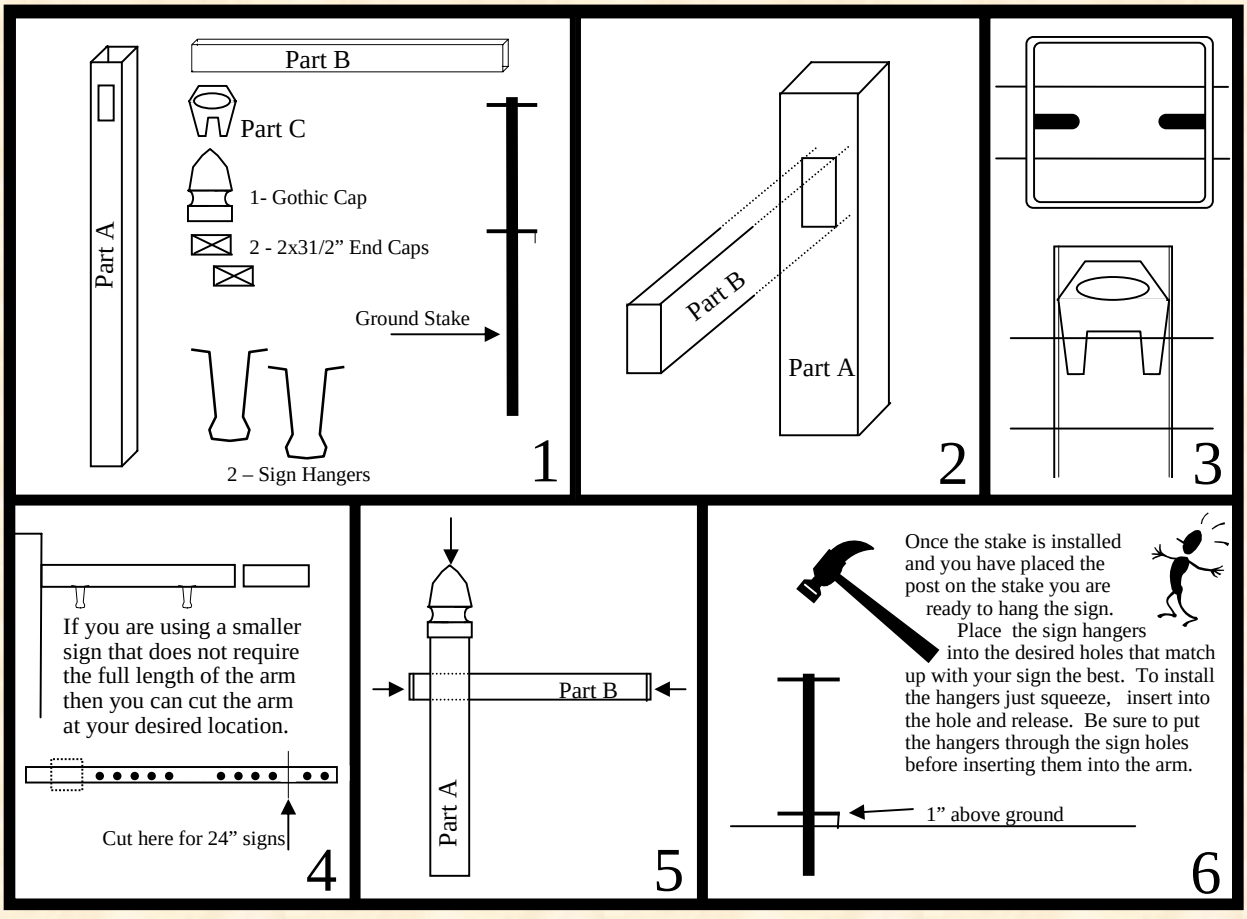
Real Estate Instructions

Congratulations! on your purchase of 4EVER FRAMES™

A product of K/T Design Group, Inc.

Now that you have your product in hand you are ready to assemble the most durable innovative vinyl real estate post on the market! Be sure to follow these few steps for easy assembly.


1. Check to be sure that you have all of your parts.
2. Slide part B through part A and align the two small slots inside the post facing up.
3. Insert part C into the two slots in part B to lock arm in place.
4. If you desire a 36” arm for 24” wide sign then cut arm where illustrated in picture 4.
5. Using standard PVC glue place caps on post and arm. DO NOT glue if you wish to disassemble.
6. To install, drive stake into the ground and leave the bottom plate about 1” above ground.
7. Slide post over stake and hang your sign using the sign hangers at your desired location.
8. Congratulations, you are finished!
