

"Frames That Sell Signs"

Patent pending key fits internally so that frame can be assembled and unassembled in seconds. This keeps the exterior free of unsightly screws.

Arm comes 47" and can be cut down to fit your size hanging sign.

Hanging hardware is included

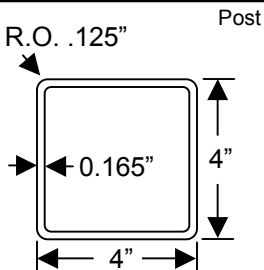

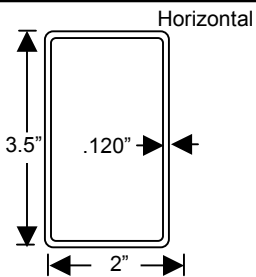

Your Substrate Here

All aluminum welded drive-in stake so there is no digging required!

Our vinyl real estate sign post has been a huge hit. We have engineered it to be fast and simple. It is lightweight, clean and easy to assemble. The decorative gothic cap is included along with the hanging hardware.

Profiles Used

Also available in Khaki
